

Table of Contents:

Preface – Towards Civilization.....	11
I. Defining Reforms for Canada Consistent with Conservatism – the Constitutional and Confederation Conservative.....	16
a. The Nation State – or National Sovereignty – becomes the basic unit of analysis..	17
b. Combining the polarities of conservatism in a three-dimensional secular space....	22
1) Reforms <i>not</i> requiring constitutional change to the Canadian Ship of State – within reason.....	29
a. First do the best within the structure of the present Canadian Ship of State.	29
Arms length commissions and bodies outside of Parliamentary accountability.	30
Little known powers of the federal government.....	31
1. When to use the Notwithstanding Clause?	31
An option to act as an antidote to the judicial activism of the Courts.....	32
2. The powers of disallowance and reservation:	33
b. Clarity of purpose between federal versus provincial jurisdictions in Canada.	34
A True Cabinet with Powers and Priorities of a Conservative National Government.....	38
The Canadian Ship of State needs some serious leadership.	39
A. The Prime Minister:	40
1. Words matter.....	42
2. Identity politics that weakens national unity.	43
3. The Canadian national government must not pander to separatists.	43
4. Who is looking out for the Canadian interest?.....	44
B. Foreign Minister:.....	46
C. Defence Minister:	52
A case study to show the practical challenge of maintaining our Canadian defence and territory – especially in the far North.	54
D. Finance Minister:	60
1. Limited and minimal government	61
2. Lower and simpler taxes and regulation	63

3.	Ending government and personal debt	64
4.	Reducing trade barriers	67
E.	Justice Minister and Attorney General of Canada:.....	69
F.	Internal Trade, Economic Development and Inter-Governmental Affairs	71
1.	Minister of State for Research and Development	73
2.	Minister of State of Industry and Labour.....	75
G.	Health.....	78
1.	Medical Savings Accounts	83
2.	Apply the Principle of Subsidiarity to Long Term Care	83
H.	National Projects and Northern Development.....	85
1.	National projects.....	85
2.	Minister of State for Transport and Communication:	85
i.	High Speed Rail.....	86
ii.	Twinning the Trans-Canada Highway.....	88
iii.	A Polar Class Ice Breaker	89
iv.	Airships	89
v.	Communication	91
	The CBC needs to be rationalized and downsized out of government hands..	91
	An independent press needs the federal government to stop subsidizing it. .	92
	There is no need for Canada Post to be owned by the federal government. ..	93
3.	Minister of State for Energy and Natural Resources	95
4.	Developing National and Northern Corridors.....	96
5.	Northern Development.....	97
i.	Provincehood for the Territories:	98
ii.	New northern provinces to reconcile treaties with confederation and citizenship.	99
iii.	The Tlicho Template:	100
I.	The Environment.....	102
	Prescriptions through a National Conservative Environment Minister.	104
1.	Allow development – including Canada’s natural resources – sustainably. ..	104

2.	Enlist science in order to solve environmental problems.	105
3.	Effective domestic and international environmental relations.....	105
4.	Canadian conservatives must lead on the environment in a realistic way. ...	106
5.	Federal consumption tax to apply polluter pay principle for environment. ..	107
	A Shift Away from Income Tax and to National Consumption Tax.	107
	A National Consumption Tax Prescription.....	109
6.	Free market solutions must be encouraged for environmental problems. ...	110
	Property rights of all Canadians must be respected – Tragedy of the Commons is all too real.	110
	Canada needs simple, straight-forward Canadian environmental regulation and standards.	111
	Limited government permits free markets to solve environmental problems..	111
	Government subsidies are as bad an idea for the environment as for the general economy.	111
J.	A Minister of Education	112
1.	The Swiss experience on education.....	112
2.	Canadians can create new educational institutions if we dislike old ones. ...	114
3.	A case study to have a potential new Canadian institution:	115
4.	Towards a Canadian solution for education reform.....	118
5.	Education and citizenship are connected	119
K.	A Citizenship Ministry	121
1.	Ministers of State of Canadian Heritage, Youth and Seniors relate to citizenship.	122
2.	A Minister of State for Youth and Seniors:	122
	i. Youth Issues: Combine Sport Canada with Youth Issues.	122
	ii. Seniors Issues:	122
3.	The Rights and Responsibilities of Canadian Citizenship:.....	123
	i. Canada must seek alliances with like-minded countries of the world.	123
	ii. A mature Canada needs emphasis as much on responsibilities as rights.	124

4. Aboriginal Affairs.....	125
i. Apartheid does not work.	125
ii. Towards One Canada.	129
5. Immigration Reform.....	132
i. A modern parable to understand Canadian immigration:.....	132
ii. Why borders actually matter:	136
iii. Democratic nation states must manage their own borders.	138
iv. Two ways to Canadian citizenship: Refugee or Economic Immigration.	139
(1) Refugees:	140
Prescriptions for dealing with refugee inflows:.....	142
1. <i>Promote private sponsorship of refugees instead of having the</i> <i>government pay for all of the resettling costs in Canada.</i>	142
2. <i>Secure Canada’s borders.</i>	143
3. <i>Ensure that our refugee system prioritizes people facing true</i> <i>persecution.</i>	144
(2) Becoming a landed immigrant or permanent resident in Canada:	146
(3) Effective national immigration systems use points-based systems for admission to a country:	148
(4) Permanent residents have some – but not all – the same rights and responsibilities as Canadian citizens:.....	149
(5) Citizenship and Economic Immigration Reforms:.....	151
Prescriptions for improving citizenship and economic immigration:.....	151
1. <i>Immigration policy is of national jurisdiction.</i>	151
<i>Immigration for extended family reunification needs to be reconsidered.</i> 151	
2. <i>Rights, responsibilities and character as part of a points-based</i> <i>immigration system.</i>	153
3. <i>Safeguard and emphasize economic immigration.</i>	154
<i>Reform of the temporary foreign worker program.</i>	154
4. <i>Immigration and citizenship are connected.</i>	155

	<i>Revoking citizenship for terrorism, treason or espionage against Canada.</i>	155
	<i>Phase out dual national citizenships.</i>	157
	<i>Make birth tourism illegal.</i>	157
2)	Reforms requiring constitutional change for Canada	161
a.	Naturalization of our Head of State:	163
b.	A New Preamble to the Constitution:	164
c.	Modernize the Economic Union:	165
d.	Democratic Reform:	166
e.	A Federal Ministry of Education:	167
f.	A Charter of Canadian Citizenship:	167
g.	Canada’s constitutional amending formula itself has to be amended:	168
II.	Civilization:	170
1)	Defining Civilization.	170
a.	Conflicts between old regional civilizations may take a long time to be resolved.	172
b.	Civilization ultimately needs best cultural practice from wherever that may be.	174
2)	A Summary of Guiding Principles for All Kinds of Conservatives – and Canadians.	177
a.	The Historical Conservative – The Inevitable Dimension of Time.	178
b.	The Freedom Axis – Economic, Libertarian and Democratic Conservatives.	181
c.	The Faith Axis – The Cultural Conservative.	186
d.	The Sustainability Axis – The Environmental or Ecological Conservative.	190
e.	The Canadian Ship of State Itself Exists in the Secular Space – The Constitutional and Confederation Conservative.	192
f.	Civilization Becomes a Centralizing Tendency.	194
3)	Towards a Starship – a Civilization Earth.	197
4)	Canadian Leadership is Lacking.	201
	Final Thoughts:	202
	Canada – the Ship of State our Nation/Le Canada le navire notre nation.	204
